

Compassionate Support for Your Team's Health Needs

About Us

With over a century of combined expertise, IN Health Plans specializes in affordable, comprehensive healthcare memberships designed for your workforce and their families. Our team of health care specialists knows what it takes to create high-quality, cost-effective healthcare solutions that support employee well-being and help businesses thrive.

Our Services

Primary Telemedicine

Offering consultations with medical specialists for specific health conditions or concerns.

Virtual Urgent Care

Affordable, convenient access to licensed doctors anytime, anywhere—no urgent care visits required.

Medical Bill Advocacy

Get expert support in navigating and negotiating your medical bills. Our advocacy services help you understand charges, reduce costs, and ensure fair billing practices.

Surgical Procedures and Pricing

Access transparent pricing and detailed information on a wide range of surgical procedures in your area.

Imaging & Lab Discounts

Save on essential imaging and lab services. Access quality diagnostic tests and procedures at reduced rates to support your healthcare needs.

Chiropractic Savings

Access significant discounts on chiropractic services, ensuring affordable care for your spinal health.
